

**Solemnity of Our Lord Jesus Christ,
King of the Universe
(World Day of Youth)**

Today, the last Sunday of the Church year, we celebrate as usual the Feast of Christ the King. It is one of the most beautiful and meaningful feasts of the year. The concept of king and kingdom is at the very heart of Jesus' message to us. He came to inaugurate among us the Kingdom of God. Here is the wonder of our King and what it means to be part of His Kingdom. It is beautifully described in the Preface to the Eucharistic Prayer in today's Mass:

"As King he claims dominion over all creation, that he may present to you, his almighty Father, an eternal and universal kingdom; a kingdom of truth and life, a kingdom of holiness and grace, a kingdom of justice, love and peace."

Our King has been chosen for us by God but it is for each one of us to profess our allegiance to Him. Today we are called to work together to expand the reality of His Kingdom in our families, in our society and in the world generally.

"It is by humility that the Lord allows himself to be conquered, so that he will do all we ask him"
St. Teresa of Ávila
